Please print this form and mail it with your donation

Federal law requires us to collect and report the name, mailing address, occupation, and name of employer of individuals whose contributions exceed \$200 in a calendar year

I confirm that the following statements are true and accurate:

- I am not a foreign national who lacks permanent residence in the United States.
- I am not a Federal government contractor.
- This contribution is made from my own funds, and not those of another.
- This contribution is not made from the funds of a corporation or labor organization.
- This contribution is made on a personal credit card or debit card for which I have the legal obligation to pay, and is not made either on a corporate or business entity card or on the card of another person.
- I am at least eighteen years old.

The maximum an individual may contribute is \$2,300 per election contest. Couples may contribute \$4,600 per election contest. This means, for example, that contributions given for the Primary Election are counted as a different election contest than the General Election. So, if giving contributions to both election contests, an individual may contribute a total of \$4,600 and a couple \$9,200. Contributions are not tax deductible.
